Membership Information

VOTING MEMBER An individual must be enrolled as a member of a *Northwest Tribe, who is also a practicing basket weaver, and current with NNABA membership dues. Each member shall be entitled to one (1) vote. All members have a right to actively belong to an existing NNABA committee. All members have the right to receive reports and vote on bylaw changes and the election of NNABA Board of Directors.

ASSOCIATE MEMBER Supports the work of the organization and does not vote or hold office. They are not enrolled members of Northwest Tribes. They may be Native American whose tribes are located in other regions of the country or non-Natives.

Youth Track: On Friday September 30, 2011 the youth will meet in a designated room along with their teachers to learn a basket project or two. The program allows local youth, member's children, and any other interested youth to learn basketry and hopefully become our future master weavers. Please plan on staying with any young children because we don't have extra personnel to help supervise them; but if your children are older grade schoolers and higher please plan on having them attend. Through generous funding there will not be charges of fees or kits for the youth but they will need to register their name, age, hometown and tribal affiliation as applicable.
